

CEMC TRIAL EXAMS

ONE HOUR

One hour. A real advantage.

The CEMC contest gives your child a real paper, a real score and CEMC recognition. Our one-hour trial gets them ready. Grades 5 to 11.

See how it works → | **Ask a question**

WHERE IT COUNTS

More than a mark.

- University applications
- IB portfolio
- Scholarship forms
- School files

A dated result from Waterloo's contest programme.

WHY ATTEND

What the contest gives your child.

Because the first attempt should not be the one that counts.

A real score

A marked paper, not a practice sheet.

Exam calm

One hour of real pressure, before it counts.

CEMC recognition

Certificates and honour rolls come from CEMC.

CERTIFICATE - HONOUR ROLL

A path forward

A result that shows what to work on next.

Our trial is one hour of practice. The contest, the certificates and the honour rolls are CEMC's.

One hour. Ask about the next sitting.

CEMC IN STUDENTS' WORDS

What a contest does for a student.

Quotes published by CEMC, University of Waterloo.

EUCLID CONTEST

"...it's crazy to imagine how much doing math contests has shaped me as a person, from thinking more logically and with structure to gaining more confidence in myself..."

Student from Ontario, Canada - cemc.uwaterloo.ca

CANADIAN COMPUTING COMPETITION

"Doing contest problems dramatically improved my programming and problem-solving skills. Now I'm studying Computer Science, and I love it!"

Student from Ontario, Canada - cemc.uwaterloo.ca

25,000+
students write the Euclid Contest every year

300,000+
students from 85+ countries write CEMC contests

1963
the CEMC's first contest, University of Waterloo

WHAT PARTICIPANTS GET

Recognition that comes from CEMC.

Certificate
Generated by the contest supervisor after results are released.

Honour roll
Top performers are named in the official results booklet.

A real score
Marked against a national and international field.

A written paper
Built by CEMC educators, Grades 5 to 12.

WHERE IT HELPS

Keep it. Use it.

University applications
A dated, external result next to school marks.

Scholarship forms
A concrete achievement to describe.

IB portfolio
Evidence of academic commitment beyond the classroom.

School files
A record the school can keep.

Our trial is practice. CEMC runs the contest.

One hour, in person, Grades 5 to 11.
